MH-SD- Filing your claim is easy. Please review these important tips.

- 1 Use this form to file a claim for any eligible medical expense when your physician or other provider does not file a claim. Please print clearly with black ink completing all required fields.
- 2 Attach your itemized statement (or fully legible copy of the bill) to the back of this form. Keep a copy for your records.

Please use a separate claim form for each health care professional and for each family member.

- 3 See your FBHP/UMR ID card for:

- *Name of Plan
- *Plan Group Number
- *Name of Member (as it appear on the ID card)

- 4 Patient name and date of birth must match FBHP/UMR's eligibility file.

Example - if your name was Eugene Smith on your enrollment form, claim must state Eugene, not Gene

- 5 Name, address and Tax ID number of the provider of service is required. If the provider's Tax ID number (9 digit number) is not on your copy of the receipt, you can contact their office to obtain it.

- 6 To be considered a valid claim, (with the exception of gym memberships) your bill should include the following information:

- Patient name
- Date of service
- Description of service (i.e.: office visit, injection, immunization, glasses)
- Diagnosis (type of illness or injury)
- A charge of each service
- Name, address and Tax ID number of the provider (required field for services rendered in the US or US territories)

- 7 If your plan other services not considered traditional medical expenses, the information needed to file a claim can vary. Date of service and diagnosis may not apply.

- 8 Balance Due Statements are not valid claims. See above for information needed to constitute a valid claim.

- 9 Your submission will be scanned. Staple any attachments to the back of the claim form, not the front. Additionally, please indicate the member number on any attachments, should paperwork be separated from the claim form.

- 10 Claim address listed on the bottom of the claim form is for member use only; providers should bill to the address on the member ID card. This fax number also supports international faxing.

- 11 Prescriptions/drug charges that are allowable should be submitted on a Prescription Drug Claim Form.
