Walmart:

While not a full participating provider within this plan, Walmart will file a claim for vision benefits on an individual's behalf and accept assignment (payment) from VSP. The use of Walmart's eye care center may not result in the maximization of benefit in all cases. It will come close, offering a potential convenience for an individual.

When using Walmart as a provider, please ask the eye care associate for expected costs when the benefits are utilized.

Visit vsp.com for details about providers other than a VSP network provider. VSP guarantees coverage from VSP network providers only. Coverage information is subject to change. In the event of a conflict between this information and the DentalVision contract, the terms of the contract will prevail. Based on applicable laws, benefits may vary by location.

For your protection and peace of mind.

Total health care protection goes beyond medical coverage. South Dakota Farm Bureau Health Plans recognizes your physical and financial well-being requires dental and vision coverage as well.

Our Delta Dental PPO Plus Premier™ combines the Delta Dental PPO and Delta Dental Premier networks. VSP is the administrator for the vision benefits, using the VSP Choice Network.
